**T**HE year 1919 from all indications is a record year for the Nursery Business. Ornamental Estates has been somewhat neglected and the Federal, State, City and County during the same period, cut down on Trees, Shrubbery, etc.

With the coming of peace, the conditions are entirely changed, and there is a strong demand for the products of American Nurseries. And from the general business trend it is also evident that a **Country-Wide Business Revival is rapidly developing**. Of this we are assured by our own experience, for orders are reaching us for requirements the coming season which are usually received at a much later date.

We therefore urge you to give attention at this time to your Planting Requirements, in order to secure best selection of our "Quality First" stock in Trees, Shrubs, Roses, Climbers,
